The balance sheet presented here was derived from preliminary audit work performed by Vachon, Clukay & Co., PC. Vachon, Clukay & Co., is the outside firm completing the audit for the Town of Richmond for the year ended December 31, 2000. The balance sheet shows the balances of the various cash and investment accounts the Town holds in its name, the amount of taxes due at the end of the year and the amount due to the Monadnock Regional School District as of December 31, 2000. There are also several other minor amounts due that arise from general operations of the Town. Again, this information was derived only from preliminary audit work done, Vachon, Clukay & Co., PC will be returning to complete the audit of the Town, including the Trustees of Trust Funds and the Library.

Subject: Addendum Richmond MS 61 Report

The funds from the two (2) properties that were deeded to the town are reported to the Selectmen's office, and the Town Treasurer, using the accounts provided for receipt of these moneys (under Redemption's Interest/Costs of MS61). The Town of Richmond *does not have* separate accounts for properties that go to deed. If I change the MS 61 report to put the funds received on this line – I change what I report to the above offices (Selectmen/Treasurer). While this may well be the last year this is an issue, below are the values, *which would* go into this MS 61 line (*turned sideways for legibility*):

DEEDED Property Income year 2000

	Payment to			Levy Year
Levy Year	Tax Line	Interest line	Cost / Penalty	Total
1997	3634.09	1363.83	99.50	5097.42
1998	3968.87	765.28	46.50	4780.65
1999	3269.80	00	24.00	3293.80
All Years				13201.87

You now have the figures if you need them for something – and the Richmond Selectmen, Tax, and Treasurer can now have the same set of books regarding taxes collected

**Pay These Amounts to School(s)*

The cost of an adequate education is determined by the Department Education based on weighted average daily membership in residence each school district. Each school district's percentage of total is then calculated. Each percentage is then multiplied by the Town's share of the state education tax amount to allocate a portion of the state education taxes to each school district.

The difference between the adequate education for each school district and each school district's share of the state education taxes becomes the adequate education grant for each school district.

TOWN CLERK'S REPORT

Revenue collected this year in the Town Clerk's office increased again, almost $17,000 over last year! More and more cars are being registered; 360 more than when I started in 1991; $70,000 more money than in 1991.

My continued thanks to Terri O'Rorke and Deb Vaughan for all their hard work. Also thanks to Dominick Mondello who has been a great help as our Green Thumb worker.

New motor vehicle laws are being passed all the time. Starting in January anyone registering a vehicle older than a 1989 will need to bring in not only a bill of sale but also one of the following: a. Previous issued NH Registration, b. Valid Out of State Title, c. Verification of VIN (Form 19A). Please don't hesitate to call if you want more information on this or any other procedures.

Respectfully submitted,

Pamela R. Goodell
Town Clerk

The first successful thing that happened this year was the error-free conversion of the computer systems to avoid the Y2K bug. This was due to the amount of effort and pre-planning that was done in 1999, as well as the system upgrades.

As our state legislators work to find a reasonable solution to the school funding problem, we worked with our school board to come to terms with several school issues. After much prodding, we were given a list of students that we are currently paying for. This list had many errors that were identified, and some of the corrections were made. One of the unresolved issues is how home-schooled children are accounted for. Any of these students that are covered by the Monadnock School District, we pay for. The reasoning of the School Board is that these students may use the resources and after-school programs offered by the school, and at any time may return to the school system.

Since it worked very well last year, our town Road Agent recommended that the winter road maintenance, for 2000-2001, again be awarded to two contractors. He also did several projects to improve some of the town roads. The most ambitious being the work done on Whipple Hill Road.

With the general overseeing of Town business, we also did some more work on the town buildings. The Veterans Hall had its bulkhead and back entryway repaired, and the floors were coated with a new, longer-lasting epoxy. The insulating of the building was also completed. The Town Hall had insulation blown in and the lights and wiring replaced. A new handicap access ramp will be built in the Spring. The Civil Defense building saw much work done to install running water and a bathroom, which met several obstacles. Those are being overcome, and the unit should be finished soon. All three buildings were wired with a generator receptacle, so that they may be used to house people during emergency situations, using the generator that the fire department owns.

This year has seen a slight decline in growth for our town. There were a total of 41 building permits granted: 11- new homes, 7- additions, 7- barn/garage/sheds, 6- porches or decks and 10 other building and demolition projects. This is down 22% from last year.

Again we enjoyed working with Camp Takodah and they were gracious in giving us 2-two-week camperships. There were 5 entries and the winners were Brian McDonald and Amy McDonald. The Board also supported the Eagle Scout project by Barry Smith that resulted in the building of the sign boards at the 4-Corners.

The Board looks forward to a very busy year ahead, especially with the celebration being planned for the Town's 250th Anniversary. We invite all our citizens to participate in some way in the festivities. We also extend our appreciation to all our dedicated volunteers, town employees, and elected officials who keep Richmond up-to-date with the world, while preserving our rural, relaxed atmosphere.

Respectively submitted, The Board of Selectmen

Edward C. Campbell, Chairman Miriam Johnson Dana Taylor

Congratulations to all of the newly elected Town Officers! Thanks, too, to all of those who ran for office. It was great seeing so much interest and willingness to serve.

Those elected are as follows:

Selectman (3 yr) Dana Taylor
Selectman (2 yr) "Mim" Johnson
Cemetery Trustee (3 yr) "Cookie" Remick
Trustee of Trust Funds (1 yr) Bill Hatch
Planning Board (3 yr) Robert Coy
Planning Board (3 yr) Ludger Morin
Town Clerk (3 yr) Pam Goodell
Library Trustee (3 yr) Susan Flagler

In regards to the zoning ordinance amendments, all passed except for #4 and #13. This means a building permit is NOT needed for structures less than 100 square feet, and the setback requirement from an abutter's property line, where the only structure permitted is fencing, remains at 25 feet.

All articles on the warrant passed except for #13 concerning the police department budget. $52,592 for operating expenses for a full time and part-time police officer was defeated. Instead voters chose to raise and appropriate $33,140 for operating expenses for a part-time police department.

As expected, a great deal of discussion centered around these police department issues. A lot of opinions were presented on both sides of the full time/part-time issue. Question was raised as to why a part-time officer was not hired in 1999 and why a police vehicle had not been purchased. There was discussion about the need for the police vehicle to be 4 wheel drive. The selectmen were asked if they will be recruiting part-time officers.

The Town voted to add $20,000 to the Fire Truck Fund. Bud Jacobson said that would make about $95,000 in the fund. He said they would probably be considering a truck in the $180,000-$200,000 range.

The selectmen were asked to itemize what the $4,500 for the Town Hall Insulation Fund would be used for. Ed Campbell said the price was based on one bid.

Thje people were told that the Green Thumb program is a government program designed to enable qualifying senior citizens to be in the work force. Green Thumb screens and hires applicants who are over 55 years old with limited income and who are willing to work 20 hours at minimum wage. The government pays all wages and there is NO expense to the Town. We currently have 2 Richmond people working for the Town cin the capacity of clerical aids to the Town Hall Offices and the Police Department. The program and the emploees have been of great assistance to those of us who have supervised them.

When the Municipal Building Fund was discussed, it was suggested that the selectmen develop a plan.

Mim Johnson reminded people of the importance of filling in the census and returning it.

Terri O'Rorke presented Dana Flanders, retiring Captain of the Richmond Rescue Squad, with a plaque in recognition of his years of service. Dana received a standing ovation. Thanks Dana for all your dedication.

Thank you to everyone who helped count votes. Town Meeting ended at 10:PM, but counting went on until 1:30 AM. For some of us that made a 15 hour day. That is not the record, however. Dot Robbins, former Town Clerk, tells me that one year they got done counting at 10:00 AM!

2000 Trustees of Trust Funds Town Report

This is my first year really being involved in the maintenance of the various trusts the Town of Richmond has established. At the beginning of the year there were three of us on the committee, Bill Hatch, Shirley Heisse and myself. In October, Bill Hatch moved out of town. He has very skillfully run the committee almost single-handedly for many years. We will miss him. Thanks Bill, for all your years of service.

During the year we did some research into the methods by which we might increase the return on our trust fund investments. Most funds were held in CD's or Passbook Savings accounts returning between 2% and 4.5% interest annually. Now the bulk of the funds has been invested through the New Hampshire Public Deposit Investment Pool and is returning 6.38%. This has dramatically increased our total yearly income on the funds in trust. We hope to be able to continue this trend toward maximizing, with very limited risk, the value of the Town of Richmond funds entrusted to our care.

Rescue Squad Report

In the year 2000, your Rescue Squad has seen the addition of 3 new EMT volunteers. We have also added, through the generosity of the Town, a new defibrillator.

The Rescue Squad is made up of trained and dedicated volunteers who give a lot of their time to provide the Town with emergency services. We also respond with the Fire department.

To report an emergency, dial 911, describe the problem and tell what is already being done. Give your name, the location, the number of persons involved and the phone number you are calling from. Remember DO NOT hang up, as additional information may be needed.

Again, many thanks for the wonderful support that we receive from the Town and the family members of our volunteers.

Road Agent Report Year Ending 2000

To summarize the year, we began in January with a few frozen culverts on Bullock, Activity and Martin Roads. The roads were closed February 28th for mud season. In March we began cleaning ditches and culverts. April there were beavers on Taylor Hill to contend with. Grading of the roads began in May and calcium was put out in June for dust control. Brush was cut in July and Finnish Grade began ditching and sweeping Mill, Sandy Pond, Fish Hatchery and Morgan Roads on July 6 & 7. July 8 Finnish Grade put out crushed gravel, loading, trucking, spreading and grading 1190 cubic yards on Pond Woods, Bullock and Lang Roads. Scraping of Whipple Hill bridge was started July 28. August 21st Whipple Hill, Turnpike, Lang, Bullock, Taylor Hill, Tully and Martin Roads were regraded and touched up. Continued to cut brush throughout August and dealt with beavers on Martin Road. Winter bids went out September 13th. September 18 & 19 1.2 miles of Morgan Road got chipseal. Work done on Turnpike Road September 20 & 21 entailed removing A big stone from Turnpike Road by the Garone property , putting in a new culvert by the McWhirk property and repairing the corner at Turnpike and Scott Mountain Road. September 22nd new culverts were put in on Whipple Hill Road by John Hillocks' and on Martin Road below the church. Cold patch was put down on Fish Hatchery Road from the Fitzwilliam end on October 3rd. J.A.F. Industries delivered 100' of 12" culvert and 100' of 15" culvert. October 23 the roads were graded and touched up. October 24th the scraping and painting of Whipple Hill bridge was completed. Mulch hay and silt fence were purchased November 2nd for new construction to re do the corner on Tully Brook Road. The project began November 6th as new culvert was installed , the area graded, mulch hay was put down. New reflector posts were installed to complete the job on November 13th. On November 20th a new culvert was installed on Greenwoods Road by Rod Pierces' property. A hanging stump was removed on Taylor Hill Road November 21st. December 4th brush was picked up on Turnpike Road. A wash was filled in on Taylor Hill Road December 18th. December 23rd Mary Beers painted a new Fish Hatchery Road sign.

Tax Collector's Report
End of Year 2000
January 22, 2001

The old tax delinquency to the town continues to go down. Current property taxes collected in the year 2000 are slightly behind - this is due to the late issue of second half of the bill (final due date was January 6, 2001). The late issue (of the bill) was caused by the school district being late with their budget requirements. Things should be back to normal a few weeks into the 2001-year.

Public Service of New Hampshire continues to protest (and not pay) the billing of the state portion of the school tax on their property that does not have commercial development. As a result, we have a small portion of 1999 and 2000 levies that will not be collected or backed by a lien - without further action by the state. The legislature took no action on the problem in 2000. There are about 30 other towns in this situation.

Statistically, the year 2000 was a repeat of the previous year. 84 tone alerts, including brush fires, motor vehicle accidents, mutual aid responses, and rescue calls, kept us as busy as we care to be. Staffing remains essentially the same in numbers. A few key people moved from town, and were replaced by new comers (fortunately for us.) We are constantly looking for people interested in serving the town in the fire and rescue companies.

We are pleased with Diluzio Ambulance Service and have renewed our contract for 2001. The Fire Department is once again asking the taxpayers to put $20,000 towards the replacement of our 1970 GMC pumper. Again, we urge our citizens to think and act with the safety of their families and property in mind at all times. Number your mailboxes and houses so that we can find you rapidly. Minutes lost may mean lives lost or homes destroyed. We extend our thanks to our volunteers for their commitment and their time. Thank you, also, to the taxpayers for their continued support.

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing **ALL** outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us .

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department **BEFORE** using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing **ANY** outside burning.

RICHMOND POLICE DEPARTMENT ANNUAL REPORT

As we complete the first year of the twenty-first century, the Department Heads embrace in the task of writing the annual report. To me, this is a very difficult task. I have so much to talk about with only limited space. Although the activity this year appears to be down on total numbers, we have been able to breakdown the "Calls for Service" in more detail. In reviewing the statistical information, I have noted a decline in motor vehicle activity. This is due in part to the officers placing more time into lengthy investigations of criminal activity, paperwork involved in the investigation and administrative reports. In March there was a residential burglary in excess of $10,000. This incident occurred in broad daylight and appeared to have been interrupted by the homeowner. The report came in as a burglary in progress. Fortunately the suspects fled the residence and the homeowner was uninjured. An officer was called at home to respond to the call.

The absence in availability for the police department to do regular patrol is troubling. Patrol is a very important part of keeping the roads safe, protecting our property and the lives and safety of the citizens in Richmond and its visitors. Unfortunately, in a part-time police department this becomes a problem but is a reality. To provide a proactive approach to law enforcement is hard. I have reviewed town reports dating back into the mid 1980's where the prior Chief of Police also found this to be an issue. For part-time officers to juggle their full-time employment, families, training and continue to provide adequate service to Richmond is becoming to demanding. With the rise in overall activity continuing to expand it is inevitable that a change be made. The question is "does something serious need to occur or does someone need to get hurt?" before that change occurs.

The NH State Police have been very helpful "taking up the slack" in the calls in Richmond. They have found it to be laborious, due to manpower shortages and budgetary issues to invest the time into all of the communities. It is not unusual to have only two or three State Troopers working the Troop-C territory that embraces Cheshire and Sullivan counties. The total number of towns they cover is forty.

As many of you may know, in September, we hired an additional part-time officer. Mark LeBelle was hired bring the staff to two part-time officers and a special officer. He is easygoing and very approachable. Mark is an exceptional addition to the police department. Welcome aboard Mark!

I would also like to thank Bob VanBroklin for his continued dedicated service, to Margie Wyman, our "Green Thumb" assistant, for her hard work with the department, the other departments within the town and all of the citizens of Richmond. I look forward to the upcoming year. Remember to register your dogs by April 1st. The continued assistance from the residence in reporting suspicious activity and possible criminal activity is appreciated.

RICHMOND CONSERVATION COMMISSION
ANNUAL REPORT
YEAR 2000

The year 2000 included a busy agenda and a time of changes for the Richmond Conservation Commission. Our secretary of more than 30 years, Pete Tandy, retired in May after serving so competently as one of the original members organized under the guidance of the late Harry J. Bennett. Pete unselfishly gave his support from pruning trees in the Town Forest, to cutting brush and grass in the Quaker Cemetery, to making sure our meeting records, reports and letter correspondence were accurate and accountable. We thank and wish him the best during his well deserved retirement. His desire to conserve the Town's natural resources and rural character will continue to be one of the Commission's primary goals.

Bruce Purrington an avid outdoorsman and conservationist, has been appointed our newest member and we welcome him to the Commission as we face the challenges of 2001.

The Commission oversaw and financed the removal of the large White Pine which posed a hazard to the Quaker Cemetery. The Richmond Historical Society expressed interest in the care of the Cemetery and grounds so the balance of the Mary Hunt Memorial Fund, established from the generosity of past donations, was transferred to the Society, to assist in the cost of the future maintenance.

We wish to remind everyone that the Conservation Commission has never requested nor spent any town tax dollars for our expenses or projects. Our funds have been acquired from the generosity of donations, Conservation Commission members' projects and income generated from selective, timber harvesting. It is our intent, that our own funding initiatives will sustain our future goal of conserving and protecting our Town Forest and resources.

The Commission is continuing with the completion of the Conservation Easement on the Bennett Town Forest with the Monadnock Conservancy and it is hopeful this will be in place by the summer of 2001. We will continue to manage and improve the Bennett Forest as prescribed in our "Forest Inventory Management Plan" of 1996 and we encourage all townspeople to take the opportunity to explore and enjoy this wonderful resource.

PLANNING BOARD REPORT

Thirteen amendments to the Zoning Ordinance were proposed in March, which in most cases corrected flaws in the Ordinance identified by our lawyer and the Board of Selectmen. Eleven of these amendments were adopted by the voters.

One subdivision, by James and Betty Buzzell was approved. It consisted of seven lots, approximately six acres each, located on Route 119 across from the Morgan Road.

The Board began work on a revised Master Plan (the last version was written in 1982). As a start, a questionnaire was distributed to all registered voters and resident tax payers. The purpose of the survey was to determine the view of the future of the town, problems that need to be addressed, and what should be done. The results of this questionnaire, the old plan, interviews with other town agencys and advise from Southwest Regional Planning Commission are being used to formulate the revised plan. The objective is to complete the revised plan this year.

LIBRARY REPORT FOR 2000

The library added 445 books, 14 audio books and 23 video cassettes during the year 2000. There were between two and three hundred paperback books donated to the library's collection replenishing the ones that no longer circulate. The library also gained 17 new borrowers during the year. This summer's reading program was once again successful with 57 children participating. The Richmond Day book sale brought in $154.00 for the library.

We are thrilled to announce that public internet access is now available. The computer was provided by the State of New Hampshire by their One Stop Job Search Program through the good offices of Dana Taylor. Thank you Dana! We also extend thanks to Ted Aldrich for his services in connecting us to the internet.

Sue Flagler was elected to a three year-term on the board of trustees at the March town meeting.

Both Dianne and the Library Trustees would like to thank the people of Richmond for their continued support of the library from the all important budget approval to the donations of time, books, subscriptions, and labor - it is all very much appreciated. Without these generous donations things would not run as smoothly as they do.

The library hours are Tuesdays 4:30-8:00, Thursdays 4:30-7:00, and Saturdays 9:00-1:00. If you haven't visited the library, please come and browse and please bring your children. Many wonderful reading experiences await both the young and old (with plentiful recommendations). We look forward to seeing you in 2001.

GREEN THUMB

Every year, Green Thumb's demand for services increases. There is a rapidly growing number of older workers who come to us for help in securing jobs. We also try to serve as many local organizations as we can. Therefore, we are asking each of our host agencies to focus on the value of the services that Green Thumb currently provides. In salary alone, our participants earn an average of $7,000, even at minimum wage, to perform valuable work. Last year we served well over 700 mature workers in New England by providing them with additional skills training, placing them in community service agencies, or finding them jobs with private employers.

We truly appreciate your partnership and continued support of Green Thumb in its efforts to expand training and employment opportunities for mature workers.

RICHMOND ARCHIVES REPORT -- 2000

2000 was another year of growth and accomplishment in the Richmond Archives. Beginning with winter work on the "house books", information, pictures and data on one hundred twenty-seven homes from Richmond's early days to the year 1900, which was organized by address, using materials from our collections, leaving space for additions in the future. A total of six volumes was conserved in acid free binders. Each month articles (from the Archives) appeared in the Richmond Rooster. Many visitors, inquiries, gifts of memorabilia, photographs, and the sharing of information, were added to the archival collection. Thus our history grows ! Summer ended all too soon and our annual open house with displays of the new work accomplished this year was held at the Civil Defense Building and Archives on "Bar-B-Que Day." Many guests enjoyed reminiscing over the photographs and memorabilia. More beautiful gifts arrived with our visitors, all historical items used in Richmond more than a century ago. October brought the gift of a computer for the Archives (which we had hoped for 15 years ago.) Our Trust Fund provided a small amount to get the bits and pieces together and at present, we are using a free Internet server. We hope to have a scanner working this coming year. Our budget of $700 from the Town Appropriation was short-lived, as costs of materials continue to climb. About $350 was also used from our Trust Fund for materials and supplies. We thank everyone for gifts and contributions and the Town for its support.

I would like to thank Ruth Flanders for her hard work, use of her computer, and dedication to the Archives, cataloging our collections. Also, thanks to Sandy Laughner for moving collections about on exhibit day. The Richmond Archives is open by appointment (239-4590) Tuesday - Friday 9 am - noon.

Richmond Recreation Committee
Annual Report—2000

I would like to thank all of the people who have helped me over the last nine years that I have served on the Richmond Recreation Committee. I have enjoyed working with the children and parents of this community. I look forward to the new committee members that will be taking charge of the committee and wish them the best in all of their future endeavors.

The first Recreation Committee event for the year 2000 was the annual Easter Egg Hunt. Camp Takodah donated the use of the Friendship Lodge for this annual event. The event was well attended and everyone seemed to enjoy the crafts, refreshments and gifts that were given to all of the children. Hunting for the eggs was a favorite and everyone had a good time.

As has been our tradition, students who graduated from high school were given a gift certificate to the Toadstool Bookstore and a card congratulating them on their accomplishments. A number of recipients acknowledged their gift with a thank you note.

Summer of 2000 offered swimming lessons and a mini-camp to Richmond residents. Camp Takodah was very flexible and helpful in setting up our Red Cross Swimming Lessons. A mini-camp was offered in the morning for children during the first two weeks of swimming lessons. Parents came and helped out with their children. During camp, children were able to play games, practice archery, cook and make a variety of crafts. Considering the low-key nature of the camp, it was well attended and went very smoothly. Swimming lessons were once again very well coordinated and many of the children who attended made great improvements in their swimming skills.

The Recreation Committee marched in the Richmond Days parade and threw candy to the children watching the parade.

The Halloween Party took place at the new dining facility at Camp Takodah. The attendance was rather low, but the families that came had a great time. We had refreshments, played bingo and played games. We ended the evening with costume judging and piñatas. It was nice to be indoors, because the weather was bad the evening of the party.

The Holiday Sing-a-long took place in December. Attendance was low for this event but the families who attended enjoyed the refreshments, singing and a visit from Santa. The Richmond Town Library received a donation of books from the gifts that were left over from this event.

Two dance events were scheduled in 2000, although they will take place in 2001. On January 6th we had our first dance event for families at the new dining facility at Camp Takodah. The event was relatively well attended for a new event. The people who attended had a great time. I only hope that more people will take advantage of the second family dance, which is scheduled for Saturday, March 10th at the new dining facility at Camp Takodah. The Moving Company of Keene is providing lessons, music and loads of funs for families who attend. Refreshments will also be served.

I would like to thank Camp Takodah and the Cheshire County YMCA, and specifically Erin Friedman for all of their help with Recreation Committee Events during the year 2000. Good luck to the new Recreation Committee members and thanks to everyone who has helped to make our Recreation Committee events successful over the past nine years.

Sincerely,

Diane Bush (Committee Member for 9 years)
Suzanne Deegan (Committee Member for 4 years)

THE COMMUNITY KITCHEN

As always, the Community Kitchen was busy again this year. From January thru September 2000, they averaged 550 families every week receiving food from the pantry. Of the 3,938 unduplicated individuals assisted, 22 were from Richmond. Eleven (11) of those were under the age of 19 and only one (1) was over 59.

There were 20,333 boxes distributed, which contained over 454,500 meals. These boxes contain about a week's worth of basic foods such as cereal, juice, milk, breads, pasta and sauce, meat, soups, dessert items and personal care products. Seventy-two (72) Richmond residents received boxes of food containing a total of 1,935 meals at a cost of $948.15. Based on these figures, the totals projected for Richmond for 2000 as being 96 boxes with 2,579 meals.

November and December are busier because of the holidays. The Kitchen relies on donations and volunteer labor to help provide this necessary service. If there is a need for their assistance, the Community Kitchen is located at 37 Mechanic Street in Keene. The phone number is (603)-352-3200.

RICHMOND 250 COMMISSION

1752 TOWN OF RICHMOND, NEW HAMPSHIRE 03470 **2002**

During the past year, the Richmond 250 Commission sought out resident's ideas about our year long celebration, made up a tenative schedule of events, and listened to reactions to "the plan". There were a few criticisms, a few suggestions, but mostly the response was: "It's a great idea, as long as someone else is doing the work."

This coming year, we move from planning to organizing. Some of the planned events already have groups ready to work on them. These events are pretty much assured success. Others will have to be cut from the schedule if no volunteers come forward. Each month, the ROOSTER will announce an organizing committee meeting for the event that will follow one year later. That committee will then work independently on their event, reporting to one of the Commissioners.

At this point, the schedule of events looks like this:

February 23,2002 - Town Birthday Party at the Veteran's Hall, Pot Luck Supper, Musical Program, Historical presentations, Community Awards

March 12,2002 - Town Meeting- Brief presentation about the first town meeting and explanation of how we elected our officers for the first two hundred years

April 13,2002 - Community Clean Up Day - Getting dressed up

May 11, 2002 - Richmond 250 Parade

June 15, 2002 - Town Picnic at Camp Takodah

July 6, 2002 - Town wide Yard Sale

September 8, 2002 - Town Fair and Firemen's Barbecue

October 2002 - Richmond Quilter's Quilt Show

November 2, 2002 - 250th Dance at Veteran's Hall

December 7,2002 -Wrap-up Supper at the Veteran's Hall.

HOME HEALTHCARE, HOSPICE & COMMUNITY SERVICES

In 2000, HCS continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in town. The projection is based on actual services provided from January-September 2000 and an estimate of usage for October-December.
